Additional Information

Is this a continuation of an experiment that has already been started? ◯ **Yes** ◯ **No**

If yes, explanation of the results and difficulties encountered in previous experiments.

Requirements

Duration:

Preferred dates (if any):

Pre-experiment support (culture adaptation at the LSC) ◯ Yes ◯ No

Additional information regarding the adaptation (total time, daily work hours, etc.)

Working hours per day during the experiment:

Work location: ☐ Surface Lab ☐ Underground Lab

LSC staff support ◯ Yes ◯ No

If the answer to the previous question is "yes," the **estimated duration of support during the experiment (limit 80 hours per semester):**

Required equipment:

Biosecurity level:

Microgravity (clinostat): ◯ Yes ◯ No

Incubation / Post-storage:

Laboratorio Subterráneo Canfranc

Shipping to the centre of origin: ◯ Yes ◯ No

Special shipping conditions:
